

OSHA 10 HOUR CONSTRUCTION IN SPANISH — 9/10 – 9/11/19

presented by DOLI staff

This course covers in Spanish, OSHA policies, procedures and standards; as well as construction safety and health principles. Topics include scope and application of the OSHA construction standards. Special emphasis is placed on those areas that are the most hazardous, using OSHA standards as a guide. Upon successful course completion, the student will receive an OSHA construction safety and health 10-hour course completion card.
