

RECORDKEEPING-

This session will discuss what is recordable compared to what is first aid. How do I determine when an injury or illness is recordable under the OSHA 1904.

Presenter: WILLIAM GROCE, CHST, LEAD SAFETY AND HEALTH CONSULTANT
VIRGINIA DEPARTMENT OF LABOR AND INDUSTRY

William 'Bill' Groce is a Lead Safety and Health Consultant with the Virginia Department of Labor and Industry. Bill is a Master Plumber and Master Gas fitter with over 38 years of commercial construction and general industry piping experience, including steam fitting and boilers. He was a safety director for a small mechanical contractor for 10 years before coming to the Department of Labor in 2010. In his spare time Bill volunteers with Harrisonburg Rescue Squad as a Special Operations Member, where he is an EMT-I Special Operation and a Duty Officer with the rescue squad.
