

# OSHA 10: Construction Training

**JUNE 9 - 10<sup>TH</sup>, 2026**

6/9 ( 8 AM - 4PM ), 6/10 ( 8 AM - NOON )

INSTITUTE FOR ADVANCED LEARNING AND  
RESEARCH

150 SLAYTON AVENUE  
DANVILLE, VA 24540

## About the Training

This course will provide information on construction safety and health hazards that a worker may encounter. Emphasis will be placed on hazard identification, avoidance, control, and prevention in the construction industry. Information on employee rights, employer responsibilities, and how to file a complaint will also be covered. Participants will earn the OSHA 10 Construction Card upon successful completion of the course. This course is recommended for entry-level workers in a variety of occupations in the construction industry.

## Training Topics

- ✓ Falls
- ✓ Caught In or Between
- ✓ Electrocution
- ✓ Personal Protective Equipment
- ✓ Struck By Objects or Vehicles
- ✓ Health Hazards in Construction

## Meet the DOLI Instructors

### Bill Brewer

Senior Safety Consultant, VA  
Department of Labor & Industry, OSHA  
Authorized Outreach Trainer

Bill joined the Virginia Department of Labor & Industry in 2018. Prior to that, he was in manufacturing for 25 years, serving in leadership roles that included: Plant Safety, Materials Management, ISO Auditor, 5S and Continuous Improvement. He is an OSHA authorized Outreach Trainer for the General Industry and Construction 10- and 30-hour courses.

### Brian Moubray

Senior Safety Consultant, CHST Lead  
Trainer, OSHA Authorized Outreach  
Trainer

Brian is a certified Construction Health and Safety Technician with expertise in safety auditing, site inspection, safety management systems, and training. He has a leadership position with DOLI as a Senior Safety Consultant. He has worked in safety management leadership positions in private industry, including construction and refrigeration.

### Colleen McCaffrey

Ed.D., MPH, CSP, Safety Consultant

Prior to joining the Department of Labor and Industry in 2023, Dr. McCaffrey worked in water treatment for 17, serving in roles related to water quality, analysis, inventory control, state and federal compliance, chemical storage safety committee management and site inspections. She has hosted multiple training programs focusing on health and bodily injury mitigation and prevention, hazardous waste storage and handling, chemical hazards in the workplace, and confined space.

### John Spangler

Health Consultant

Prior to joining the Virginia Department of Labor and Industry, John had over 25 years of experience in occupational safety and health including leadership roles in environmental mitigation and hazard mitigation. He has expertise in hazard communication, lead abatement, asbestos abatement and HAZWOPER standards and requirements.

### Mike Lowe

Safety Consultant

Mike is a Safety Consultant with the Virginia Department of Labor and Industry. Prior to that he worked as a Safety Director in the commercial construction industries, including for a mechanical contractor, a drywall contractor and a glass company. His area of expertise is construction safety.
